Acknowledgment of Risk & Waiver

As the legal parent or guardian for the student registered in the learn to skate program, I hereby consent to the child's participation in the aforementioned program. I recognize that there are certain inherent risks associated with the activity of ice skating and acknowledge that the Carolina Ice Palace is not liable for an injury to or the death of a skater resulting from an inherent risk of skating. "Inherent risks" means those dangers which are an integral part of ice skating including and not limited to, injuries from incidental contact with other skaters, injuries which result from falls caused by loss of balance and injuries which involve objects or artificial structures properly within the intended path of travel of the skater.

I also agree to release the Carolina Ice Palace, LLC and J&A Associates, their directors, officers, owners, instructors, employees and agents from all liabilities and claims I or the named student may hereinafter have for all injuries, damages or expenses sustained by the student or his or her property.

I certify that I am aware of the risks associated with ice skating. This registration agreement and acknowledgment of risk and waiver of liability having been read thoroughly and understood completely, is signed voluntarily as to its content and intent.

Important Parent Info:

Children develop skating skills at a slow pace at age 3 and 4. Once children reach age 5 you will see more progress. It's a big achievement for them to even stand and balance on those little skates on that slippery ice. Just remember this class focuses on achieving balance, improving coordination, providing physical fitness all while having FUN!!
